Attendance: 100%		
Relationship to governors and staff: N/A	Governance roles in other educational institutes: N/A	
Role on governing body: (Committees/position) Member of Full Governing Body and Resources committees		
Experiences and interests: After many years of moving around my family found ourselves in Halstead and joined Halstead Community Primary School in October 2013. I have had the pleasure of experiencing many cities, countries and education systems through our many travels but few as lovely as Halstead village. Coming to a village like Halstead and being a part of a small village school made me decide to join the governing body as I wanted to be a part of and work closely with my children's school. I have thoroughly enjoyed my role, the many challenges that come with it and the people I work alongside. I also regularly give time to help our PAFA team when and where they need it as they are also such an important part of fundraising for our school. One of the last large projects I helped PAFA with was the bi annual Carnival in 2014 in which we proudly won the trophy but I can't forget our amazing Christmas Grotto that year as well. Outside of school I work as a hairdresser, a job I thoroughly love but in my free time I run a small from home business hand painting custom plaques as art has always been a passion of mine. Working from home the way I do enables me to spend lots of free time with my children which are very important to me.
