

## **Miss Buxton**

This is now my third year teaching at Halstead. I enjoy being active and creative, and being newish to the profession, I am still really enjoying it. I have always worked with children through various clubs and events in my life and decided that that was something I wanted to do for a career. I have many interests, some of which include dancing, singing and piano; which is very lucky as I am able to apply these to my teaching.
