

Miss Pond

Hello! My name's Jenny Pond, I'm the HLTA at Halstead...I've been at HCPS since 1st October 2010. There is great satisfaction working alongside and supporting children's achievements and success', no matter how small a step the child makes, each smile is a success.

I am mum to a grown up daughter and a son who is in his last year of primary school. I spend a lot of my 'free' time being a poolside mum, as my son swims for Beckenham Swimming Club. I am an avid 'Marvel' fan, so we enjoy settling down to regular family film nights!

Halstead is a great little school, which is continuing to grow and develop from strength to strength; along with the children, as our school motto states, Harmony; Creating and Preparing for Success.
