

## **Mrs Dolley- Office Manager**

I have been involved with HCPS for well over 20 years one way or another - my 3 children came to school here, and I joined the PAFA committee during that time. Before then I was in banking.

Since 2000 I have been school secretary. Prior to that I helped in the kitchen, with lunch duties and coached the netball team. I have seen many changes, not only with the progression of the internet and IT in general, but also staff changes and building alterations. With these continuous developments the school can move forward and keep up to date, bringing stability within it.

Of course it is the children who make my job so enjoyable with their chatter and happy faces! And how proud they are when they show me their 'gold' stickers for good work! No two days are exactly the same – and I often go home smiling from something one of them has said to me!

I believe that HCPS is at the heart of Halstead community, along with St Margaret's Church, and it is up to us, as a school, to welcome all children and parents to become part of that community.
