

Homework Saplings Class

Wednesday 7th June 2017

Welcome back everyone!

For **homework** this week we would like you to think about Pirates. Pirates always like to hide their treasure. Pretend you have hidden some treasure in your garden. Draw a treasure map and put an X to mark the spot where you have hidden your treasure. Include things that you would expect to see on a map such as north, south, east and west, any ocean names and the name of the country or area where the treasure is hidden.

Reading

We are beginning the second **Reading Passport** challenge this week. The children worked very hard last term and we were extremely impressed with the poems that they remembered and recited to us.

Remember to come and ask an adult for a sticker every time you complete an activity. If you cannot find a book please ask us as we may have a copy in school that you can borrow.

It is always great to read interesting comments that you have written in your reading diary when you have read your library book or reading book. Keep it up as your reward will be **extra team points**.

Also, please remember that **reading books are changed** whenever you need a new book. But you need to remember to ask if you can change it. **Library books** are changed every Tuesday. **Homework** is due back at school on a Monday and the next task is given out on a Wednesday.

Mrs Stevens, Mrs Saheed and Mrs Welsh.
