

Name \_\_\_\_\_ Date \_\_\_\_\_

# Car boot sale

## Refresher

1 Count the books, T-shirts and dolls. Fill in the table.

	Number
Books	
T-shirts	
Dolls	

## Practice

- 1 Draw a pictogram to show the things for sale. Think of a picture to stand for the dolls, books and T-shirts. Draw a picture for every two things for sale. Write a key for your pictogram.

### Things for sale

Dolls							
Books							
T-shirts							
	Number of items						

### Key

- 2 Answer these questions.
- How many dolls are for sale? \_\_\_\_\_
  - How many T-shirts are for sale? \_\_\_\_\_
  - Which is the most common thing for sale? \_\_\_\_\_
  - How many more books than dolls are there? \_\_\_\_\_
  - How many things for sale are not dolls? \_\_\_\_\_
  - How many things are for sale altogether? \_\_\_\_\_
