

Homework Saplings Class
Wednesday 18th April 2018

Maths

This week we have been adding 2 two-digit numbers by partitioning.

Eg. $34 + 23 =$

$$30 + 20 = 50$$

$$4 + 3 = 7$$

$$50 + 7 = 57$$

Can you challenge yourself by writing your own two-digit sums to solve?

English

In English this week we have been reading and writing poems about toys. Can you find pairs of words that rhyme that we can use in our next poem?

Reading

This term there are lots of different topics to read about for your new Reading Passport: trees, plants, flowers, toys from the past and present. What will you read about first?

Many thanks

Mrs Swansborough and Miss Ellis
