

Homework Saplings Class
Wednesday 12th September 2018

Maths

This week we have been practicing counting, identifying numbers, recognising place value and working with more and less. While you are out and about see how many numbers you can find. Look on house doors, number plates and bus stops. Where else did you find numbers? What is the biggest number you found? The children can record their findings and may bring them to school to show and earn some team points.

English

With Roald Dahl day this week, the Saplings class has been listening to a variety of his stories and poems. We have created our own Roald Dahl inspired characters, written and illustrated our personal dreams and practiced rhyming words and sentences. Write your own rhyme or poem, if that's a little tricky see how many rhyming words you can think of and bring them in to share. There are team points on offer.

Reading

Your new Reading Passport is waiting for you. How many challenges will you complete this term? Please try to read everyday for a minimum of ten minutes, please write a comment of your child's reading in their 'Reading Record' so that we are aware of your child's reading at home.

Show and tell

Our first show and tell session will be on Monday 17th September. The focus will be on 'The Weather'. The following group of children can bring in an item, photo or memory that they would like to share with the class.

Snow Group— Albie, Lily, Zuzana, Holly and Oscar

Many thanks and have a wonderful week.
Mrs Prendergast, Mrs Welsh and Miss Bensted
