

HCPS - PE and Sport Premium Action Plan 2018-2019

TERM 1

Since 2013 the Government has provided additional funding for schools to allow them to continue to develop Physical Education and sports provision and to help them increase pupil participation in sporting activity.

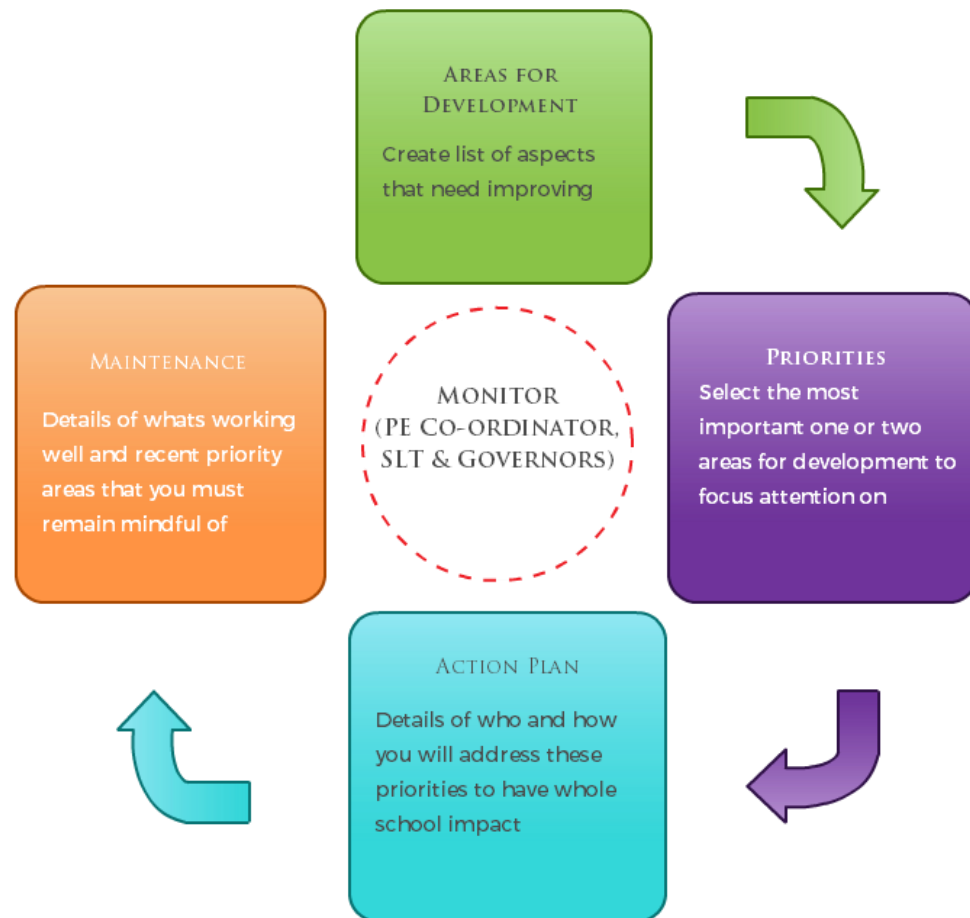

In 2018-2019 HCPS will receive **£16,830**. This funding will be used in a variety of ways to enable the children to take part an increased range of physical and sporting activities across the school, as well as engage in competitive events with other schools . We aim to provide a high quality and inclusive curriculum which promotes enjoyment and excellence to support our children to continue to lead a healthy lifestyle.

The Government is providing specific funding to all schools to be spent on improving the provision of sport and PE. Schools have the freedom to choose how they do this within the five indicators identified by the Department for Education:

1. The engagement of all pupils in regular physical activity
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

This document is a working document that will be updated termly between the Governors and the staff to clearly evidence how the funding is being used to make additional and sustainable improvements to the quality of PE and sport the school offers.

Primary PE and Sport premium planning and actions will demonstrate how use of funding contributes to the vision through identified school priorities. HCPS aims to achieve the following objective:

More people
More active
More often

Focus	Actions to achieve	Funding allocated	Evidence and Impact	Suggested next steps
To increase the profile of change for life ideals	To install interactive POD in the playground	TBC	Children have been observed using the POD at playtimes. The dance routines are a particular favourite	Staff training on putting content on the POD
To ensure all swimmers achieve 25m for the statutory requirements	Continue swimming provisions <ul style="list-style-type: none"> • Qualified swimming instructor • Pool facilities 	Term 1: £855.25	Year 3 /4 had initial assessment (on front, back and if they could tread water) Year 3 /4 children have made progress, including non-swimmers now swimming a distance of the pool unaided by floats	Final assessment to be made at the end of term 2

SWIMMING AND WATER SAFETY

Swimming is an important skill and can encourage a healthy and active lifestyle. All Local Authority schools must provide swimming instruction either in key stage 1 or key stage 2. The [programme of study for PE](#) sets out the expectation that pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations.

Swimming and Water Safety	Please fill out all of the below:
• What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	75%
• What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	56 %
• What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	75 %
• Schools can choose to use the primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes
