

**Homework Saplings Class**  
**Wednesday 14<sup>th</sup> November 2018**

**Maths**

We have been learning all about 2D and 3D shapes. If you can please encourage your children to be, shape detectives while at home, in the car and at the shops. Children should record what they have seen and what shapes they were. If they bring in their findings, they will earn team points.

**English**

Children should have received their script for this year's nativity play. Please can you help your children practice and learn their lines.

**Reading**

Please can I encourage you to read with your child every day. It is incredibly beneficial for their learning and development. Their reading books and reading records should come back to school each day and any notes you can make in their reading records are appreciated.

**Show and tell**

Our next show and tell session will be on Monday 19<sup>th</sup> November. The focus will be on 'Science – what things are made from'. The following group of children can bring in any item, photo or experiment that they would like to share with the class related to the topic.

**Rainbow** – Evie-Mae, Izabella, Olgun, Chloe, Theo

Many thanks and have a wonderful week.  
Mrs Prendergast, Mrs Welsh and Miss Bensted
