

Homework Saplings Class
Wednesday 28th November 2018

English

A huge appeal, please can you practice your child's lines for the nativity with them as their homework. Please encourage them to project their voice and where possible to use expression when speaking.

Maths

Over the page, I have printed some number bonds and part/whole models. Please encourage your children to complete these. I know they may seem a little simple for some of the year twos. However, it is great practice and they should be whizzing through them.

Reading

Please can I encourage you to read with your child every day. It is incredibly beneficial for their learning and development.

Show and tell

Our first show and tell session will be on Monday 3 December. The focus will be on 'Science – what things are made from'. The following group of children can bring in an item, photo or experiment that they would like to share with the class.

Wind – Neddyboy, William, Kyle, Lexi and Rebecca

Many thanks and have a wonderful week.
Mrs Prendergast, Mrs Welsh and Miss Bensted
