

Dear parents,

Your child has now been given a reading book from school to share at home with you. We would like all children to be reading with you at least 5 times each week, reading each school reading book at least 3 times.

Initially some of the reading books will be pictures only. Please discuss the pictures with your child and help them to use the pictures to tell a story.

If your child is unsure of a sound (phoneme) please just tell them, the same applies to capital letters which we haven't taught. Help your child sound through the words and blend sounds together. Refer to the sound cards that have the sound and saying on them.

This Reading Record is for you to record the title of the school book and how many times it has been read. You may want to include other texts that your child has read but this is not a requirement.

All children practise reading skills in school every day. We hope you will find sharing a book with your child a pleasurable experience. The session should last between 5 and 10 minutes. If you experience any difficulties please speak to one of the teachers.

Library book change day will be every Monday.

Happy reading!

Mrs Saheed and Mrs Stevens
